

Technical drawing of a rectangular basin with rounded ends. The overall dimensions are 800 (width) and 280 (height). A detail view of a central hole is shown with a diameter of $\phi 52$. The hole is located at the center of the basin. The distance from the center of the hole to the top edge is approximately 366, and the distance from the center of the hole to the bottom edge is 260. The drawing includes a coordinate system with axes A and B.
